

## **APPEAL FOR DONATIONS**

**Make your contribution  
to the future of partnership brokering**

# The Partnership Brokers Association (PBA) is a professional association for those operating as partnership brokers.

PBA promotes good partnership brokering in advancing effective cross-sector collaboration for an equitable and sustainable world by:

- **Developing education and training** courses for those operating as partnership brokers worldwide
- **Setting high professional standards** for those operating as partnership brokers
- **Advancing knowledge** in the field of partnership brokering - through action enquiry and participative research
- **Providing a public voice** to communicate the benefits of professional partnership brokering for sustainable development
- **Connecting partnership brokers across the globe** so that they can more confidently transform the partnering environment

**The work of the Association is shaped by the growing global network of Level 1 graduates**

## Why an appeal for donations?

PBA is a not-for-profit company building on the very successful Partnership Brokering Project. Based on earning patterns over the past three years - there is every reason to believe that income from the training programme will ensure financial self-sufficiency.

### However...

it is vitally important to keep the training accessible and affordable so whilst the training courses themselves will cover all associated costs, we need to look elsewhere to provide financial support for the Association's advocacy and 'ahead of the evidence' partnership brokering development work.

### So...

the Association is seeking donations from those who would like to be core supporters - whether you are a graduate of the training courses, a commissioning organisation (corporate, bi-lateral, government, NGO) or simply a well wisher committed to this important work.

### If...

you make a donation your name will be listed as a SUPPORTER on the website. Level 1 graduate donors will also be eligible for a discount (of 50% the value of their donation) on any PBA Level 2 course.

# PBA NEEDS YOU!

You can make your donation by:

Pay Pal (direct link on email or via [website](#))

Or Bank Transfer:

National Westminster Bank. A/c: 15071227

IBAN: GB96NWBK52103915071227
