Join us for Partnership Brokers Training

Multistakeholder and cross-sectoral partnerships are multiplying, but how do we support those guiding and leading partnerships to achieve the “more than the sum of the parts” results we are all seeking?

Drawing on global experience and designed to appeal to **all types of learners** from diverse sectors, this course balances conceptual and practical learning. It creates a safe space to support personal and professional development and is designed specifically for those involved

This course provides

- A framework for creating robust, efficient and impactful partnerships
- A focus on critical partnership principles, to drive values-based partnerships for stronger results
- Unique, fit for purpose tools and techniques for brokering partnerships that get results
- Enhanced confidence and competence as a partnership practitioner
- Strategies to overcome common and complex partnership challenges
- Personal and professional insights that build competencies to support successful partnerships
- Access to a vibrant global network of over 4,000 alumni and an opportunity to join as a professional member of the Association.

in the challenging work of **brokering and supporting partnerships throughout the project cycle to deliver results and impact.**

Lead by highly experienced Authorised Practitioner Trainers from the Partnership Brokers Association, this **globally sought after training** offers an important opportunity for partnership practitioners to hone their skills with a diverse group of participants from business, non-profit, community, government, education and philanthropy.

The course can also be used for **real-time partnership building** when partners attend the course together and leverage the lessons to guide partnership strategy, management or review.

Successful completion of this course allows the graduate to progress to the Partnership Brokers Accreditation pathway and/or Advanced Skills program.

“ The course opened my eyes to all the often unspoken but incredibly powerful aspects of partnerships, for example, the emergence of unimagined impact from taking a less controlling approach and being truly inclusive and building on diversity.”
